[Book Info Video](#)

What started as 8-year-old Sammie Vance's mission to get a buddy bench for her school to fight loneliness grew to be so much more. Now Sammie is making a difference beyond her hometown. In her first-ever book, Sammie shares how she's encouraging others through recycling, community, giving, determination, bravery, helping, be herself, and celebrating. She wants to inspire the world one kid at a time.
